*Simply write the day of the week you wish to reserve the lab in the appropriate blank. Sign up for 1 time per week for the typing program and/or technology instruction. We are mandated by the *Alabama State Course of Study for Technology* to teach the various increments of keyboarding and computer use. **DO NOT** take your students to the lab and **leave** them for any reason. **Sign up in the library for the mobile lab to integrate technology in your classroom.**
