## Friday Night Lights

Friday, August 31<sup>st</sup> 2007, our Meek Tigers had an outstanding victory. Beating the Eagles 13-6 the Tigers fought their hardest until the very end. Benji Keen made an incredible tackle on #34 of Cold Springs. Jesse Freeman scored both of the Tigers' touchdowns, and Ritchie Henderson went 1 for 2 on PAT's. Jake Thompson also blocked a field goal for the Tigers and made one sack in the game. This was an amazing defeat and we look forward to many more! GO TIGERS!!!

## Word from the Man

Welcome back to school! We are now in full swing and everyone should be settling in. There are several positive things that are occurring at our school right now, including work on the outdoor classroom, park area, ACCESS lab, and building program. I am very proud of these improvements that will bring about new and exciting opportunities for our students. Remember to work hard, uphold your responsibilities, and stay focused on your goals. Let me encourage you to seek ways of getting involved here at school. Your life will be greatly enriched through your participation.

--Danny Stallings

## September 11<sup>th</sup>

On September 11<sup>th</sup> our lives changed forever. We witnessed an act of great aggression. There are several things that make this act unique, from the use of civilian planes as weapons of mass destruction to attack the most widely recognized skyscrapers in the world, killing about 3,000 people. The attacks of September 11<sup>th</sup> made headlines all over the world. Those old enough to have witnessed that event will never forget the images from that day. The country celebrated the value of courage displayed by the firefighters and rescue workers who, without hesitation, rushed to the World Trade Center to save as many people as possible.
